

HSD BH QI Projects Workgroup Meeting

October 23, 2025 | 10:00 – 10:45 AM

Microsoft Teams

Present (18 Attendees): County BHS Staff (Nora David, Jacqueline Hamed, Marie, Kort, Consilia Nwabueze, Tatjana Tomic, Phuong Quach, Kimberly Work, Maria Zapata), **Blue Shield** (Salvador Tapia), **Community Health Group** (Jan Andrew Muyot), **Kaiser** (Breanna Melendez, Molly Tanner, Lindsey Wright), **Molina** (Laurence Gonzaga, Elizabeth Whitteker), **SCAN** (Zachary March), **UCSD** (Kimberly Center, Katherine Rule)

ITEM	SUMMARY	ACTION ITEM
1. Welcome/Introductions	16th meeting in this series	N/A
2. Follow-Up from the September 2025 Meeting	- Discussed the modified meeting time from 1.5 hours to 45-minutes - Discussed the distribution of the MCP-3 File and that there were two uploads that occurred – the most updated upload was executed in 10/20/2025.	- County to follow-up on the size difference between the two MCP-3 files and send an update to MCPs. - County to confirm the monthly date of file distribution and provide that information to MCPs.
3. Data Exchange for Quality Reporting	- Discussed recent guidance and given findings from cross measure validations and performance measure validations from HSAG. - Discussed data exchange for quality reporting between BHPs and MCPs to meet BHAS measure reporting requirements. - Discussed the three options the County's BHP and MCPs must select from for data quality reporting.	- County to generate an email to distribute to the Health Plans with the request for the options for data quality reporting. - County to verify if the options need to be reviewed by the County's BH OPS team to verify if an MOU revision was required or if it would align with the current MOU language. - MCPs to provide the County with the list of options in order of priority that their plan can support.

ITEM	SUMMARY	ACTION ITEM
4. Next Steps	At the next meeting: • Follow-up MCP-3 discussion • Discussion on MOU revision / current MOU regarding data reporting options process	• County to add that discussion to the next meeting's agenda. • County to provide MCPs with an update if an MOU revision is required for the data quality reporting process / data exchange or if current MOU covers that process.
Next Meeting: November 20, 2025 9:00 – 9:45 AM
