

Skilled Nursing Facilities Bed Hold Request Form

Long Term Care (LTC) facilities funded by San Diego County can request a bed hold when a client is admitted to a hospital for acute care (either for a psychiatric or physical health reason) or AWOLs from the LTC facility. Please note that a Bed Hold should only be requested if the facility anticipates accepting client back within 14 days. If it appears that a longer bed hold is needed, please request an extension directly from the County COR and Optum Medical Director.

Please fax completed form to Optum at (888) 687-2515. Thank you.
