## DMC-ODS SUD Programs CalOMS Reporting for Non-BHS Contracted Clients

Non-BHS Contracted clients are clients that do not meet the County target population such as private pay, cash pay, clients who do not qualify for Medi-Cal and clients with Other Health Coverage (OHC) who do not qualify for Medi-Cal.

Non-BHS Contracted clients must be entered into SmartCare for the purpose of CalOMS data collection and reporting.

## **INSTRUCTION**

- 1. Search the Client; if client not found in the system, create a new client
- 2. Enroll client in regular treatment program based on their LOC through the "Client Programs (Client)" screen
  - For residential programs, do not assign the client to a bed
- 3. Use Client Flags to identify the client as Non-BHS
  - a. Search for "Client Flags (My client) "
  - b. Create a new flag, click on "New" button

## DMC-ODS SUD Programs CalOMS Reporting for Non-BHS Contracted Clients

- 4. Complete CalOMS admission
- 5. Do not complete ASAM
- 6. Do not enter services for the client
- 7. When client is ready to be discharged, complete CalOMS discharge
- 8. End date the Client Flag
- 9. Disenroll/discharge the client from the program enrollment

## If client becomes a BHS client (Medi-Cal eligible) during their episode of SUD treatment, follow the <u>additional</u> steps:

- 1. End date the Client Flag
- 2. Do NOT disenroll the client from the program enrollment
  - For residential programs, assign the client to a bed through the "Residential (My office)" screen with a start date when client becomes BHS
- 3. Complete ASAM
- 4. Enter Services for the client
- 5. Continue with the workflow until client is discharged
- 6. Complete the CalOMS discharge
- 7. Disenroll/discharge the client from the program enrollment
  - For residential programs, discharge the client from the bed through the "Residential (My office)" screen.
